

THE CUBE GAME

The Cube Game is an easy-to-learn but difficult-to-master abstract strategy game for 2 players. Played on a unique three-dimensional 'board', each game lasts ~20-30 minutes.

The game includes a 1-sheet rules document, 26 game pieces (12 per player + 1 spare each), and a display-worthy board in the form of an interactive Cube.

- **Stunning table presence.**
- Players interact with the game on a **three-dimensional board** for a new take on spatial abstract strategy.
- **Rotate, spin, and tilt the Cube** for a different visual perspective.
- **Elegant and simple movement rules:** Straight lines only, no diagonals, no moving onto or through other pieces.
- The Cube's **novel interface** allow players to move pieces **across edges and 'loop' the board.**
- **Magnetic pieces** ensure each game stays together while played.
- The Cube is **4.5" (cubed!).**
- The frame is **6.5"x13"x10".**
